CUTICURA.

FROM THE HON. WILLIAM TAYLOR, STATE SENATOR OF MASSACHUSETTS.

SENATOR OF MASSACHUYETTS.

Mosses. Weeks & Pottor: Gentleman.—To say that I am graieth is only a poor expression of say feelings; but it is the best word I can use, for I feel it in every sense of the word. I have been a great it in every sense of the word. I have been a great sufferer with the diseases for the past twelve 412) years. My bead and face being covered with sores. I could not rest with the turning heat and tichting of the parts affected, and was confined to my bouse for weeks at a time. My disease has been called Eczema of a most aggravaled type by many physicians, but I doubt if ever fully understood by any of them. It was more like a constitution of several skin-humors. T have spent much money seeking a cure, and in 4867 I went to Europe and consulted some of the best physicians in London. I received temporary relief only. For in the spring it would break out again as tad as ever. When I came back to Boston I was told by many friends that Dr. ——, whose reputation for the care of those diseased was of the highest order, c. ald cure me. I waited on the Doctor. He pre-cribed for me. I followed his active for six months, and I can safely say without any improvement. I tried other physicians, and among them Dr. ——, of East Boston, and I'r. ——, of city proper: but all it one purpose. They did me no rood. Their remedies were so ineffectual that at no lime did I feel that a cure would result from them.

I have swallowed five hundred arsenic hills (5.20 grain), and taken bothe after bothe of internal remedies, besides all the external applications I have used, but the effect was the same. I became satisfied that I could not be cured, but might be kept from getting worse.

Now, about three months ago Mr. Meekan, a gentleman well known to Roston people, called my attention to your CUTICURA, and gromised wonderful results if I would only make a trial. He told me of his own experience with it, and so persevered on me that I went with him to a drugstore and bought two harpe boxes of CUTICURA and some Outsides BOSTON, August 22, 1878.
